Credit Card Repayment Protection

Important note: Credit Card Repayment Protection is no longer available for new sales. The following product information is for existing policyholders.

Credit Card Repayment Protection* is optional insurance that could help make your repayments if you unexpectedly lose your job, or can't work because of illness or injury. It could also pay off your outstanding balance (up to \$50,000) if you pass away.

If you are a policyholder, your monthly premium appears in your credit card transactions as "Credit Card Repayment Protection" and may be subject to credit card interest charges.

Policy limits and exclusions apply which mean you won't be covered in some instances as set out in the Product Disclosure Statement (PDS) or policy wording, for example: voluntary redundancy or resignation, if your employment ceases at the end of a contract, or if you're aged 66 years or over.

To find out more or make a claim, simply visit **westpac.com.au/ccrp** or call us on **1300 369 989**.
